

SELECTION OF CAPTAIN IS ENTIRELY UP TO CUSTOMER.

For Charterers convenience a list of pre-qualified independent contractor captains is below, these captains are familiar with the vessel and local cruising area. The prices shown are believed to be accurate, but the charterer will have to make arrangements with the captain directly as to rates and other details concerning the charter. Charterer must hire the captain and the captain will be able to provide you with an employment agreement. Honolulu Sailing Company cannot hire a captain for you for bareboat charters.
